CREATE YOUR WEALTH MINDSET

What if money was no longer a limitation but a powerful tool you could wield to create sustainable wealth? Imagine knowing you could maintain your current standard of living—and create even more abundance in your life—without ever feeling stressed or overwhelmed.

Discover the Psychology of Wealth

Each of us has our own money mindset—a unique set of beliefs regarding wealth, abundance and prosperity. Those who become most prosperous understand and change their own perception of wealth to make living a life of abundance a personal must.

In this revolutionary four-day program, international business consultant and success coach Rob Cuesta will equip you with proven strategies and insights to transform your relationship with wealth and success - the same straightforward strategies and tools he used to take himself from the verge of bankruptcy to a six-figure income.

Section 1 | Your Wealth Psychology

Discover your natural wealth style. *You will discover:*

- The nine Wealth Archetypes, and how they create success and prosperity
- Your personal Archetype, and how it relates with the other Archetypes
- The two prime motivational forces, and how they can make or break you financially
- The five most common blocks to financial success, and how to break through them

Section 2 | Transform your relationship with Wealth

Uncover the limiting beliefs and decisions that have been holding you back from achieving the level of personal and financial success you are capable of. *You will discover:*

- The true power of the unconscious mind, and how to tap into it
- An ancient and proven technique to banish self-doubts
- How to get rid of the baggage of the past and reinvigorate your future
- The secret of designing a future full of abundance and wealth
- How to turn resentment into motivation

Section 3 | Your Personal Wealth Blueprint

Create a blueprint for your future prosperity *You will discover:*

- Your true purpose, and the life you were born to lead
- How to create wealth by connecting to your passions
- The power of values to hotwire your brain for success
- The 100 people already in your life who can help you become rich
- How to create a personal Wealth Blueprint to map out your path to personal riches
